The Language Arts Standards are being revised. They will be presented to the State Board of Education in June for their approval.

You are invited to come to Nebraska City Public Schools on May 28th for the unveiling of the new Language Arts Standards.

We will:

- ✓ Compare the new standards with the old standards to find how they are alike and how they are different
- ✓ Determine what new knowledge and skills need to be added to your local curriculum
- ✓ Identify the new indicators and talk about ways to assess student knowledge of them

The State Reading Test will align with the new standards.

\$120 stipend (stipend eligibility will be determined by each school district's administration).
